

Year 4 – Summer Term Curriculum Letter

Welcome back to St. Mary's for the Summer Term. We hope you had an enjoyable and restful Easter break and that you are all raring to go for another busy term ahead. This letter will inform you of the exciting things that your child will be learning about over our last term in Year 4.

General reminders

Please ensure that your child reads every day and that this is noted in your child's home-school diary. Children's reading should be noted in the home-school diary at least 4 times a week. If there are any important notes, especially regarding a change in pick-up arrangements, please ensure that these notes are clearly written in the home-school diary.

Please ensure your child has the correct uniform every day and that all of your child's belongings are clearly name-labelled.

Our PE day this term is **Thursday** with Mrs Dyer. We are also going swimming on Tuesday mornings. Children should also come to school in their PE kit on Tuesday with their swimming kit underneath. (This saves time when we arrive at Crown Pools and means the children get their full lesson) Please ensure that long hair is tied and platted and that children have a £1 coin for the lockers. On all other days children should be in FULL school uniform, unless they are attending a sports club before or after-school.

Spellings homework sheets now replace the weekly spellings test, and these will be given out each Friday, to be returned by the following Friday. Children should practice their times tables daily using TT-Rockstars, for no more than 10 minutes. We will be completing paper times tables drills each day in class and will have a weekly times tables test on a Friday.

We have already booked in some educational visitors for this term from UK Power Networks and we hope to have an Anglo Saxon / Egyptian Themed day to celebrate our learning in History (more details to follow)

Should you need to discuss anything with us, please do not hesitate to make contact via the school office and we will endeavour to make contact with you in the same day.

Children will continue to be tested on their times tables weekly. Regular daily practise of these is very important and can have a great, positive impact on their Maths attainment and the Government Times Table Test in June. We will be continuing to use Times Tables Rockstars in school and at home and we will also be using the Key Skills Tests to track progress in class.

English

Children will continue to develop their comprehension and writing skills through the study of our class texts. Children will also develop a greater understanding of Y4 vocabulary, grammar and punctuation.

Children will have the opportunity for free reading time in class and they will further develop their reading skills in guided reading sessions. However, we do recommend that

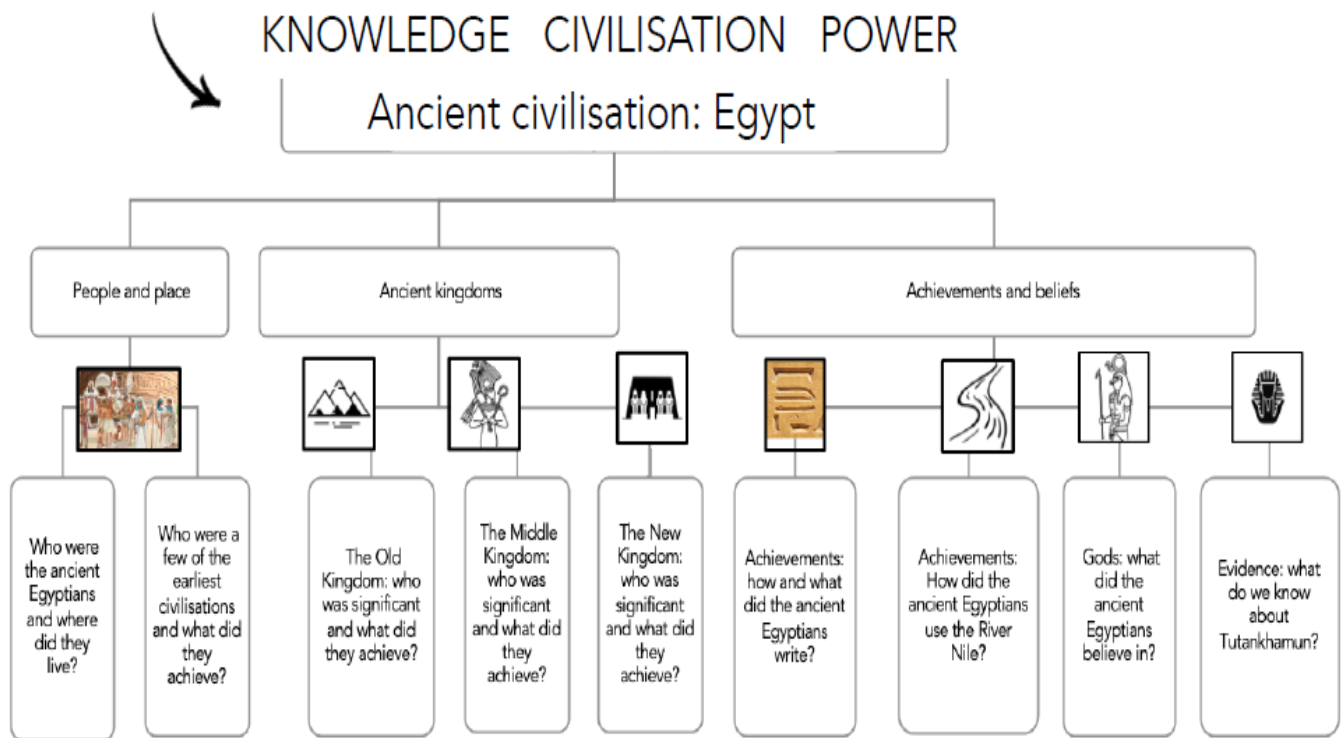

children read at home with an adult daily and that this is recorded in the home / school diary.
