## Year 5-Spring Curriculum Newsletter

Dear all,
Happy new year! We hope you all had a wonderful Christmas.
This letter will inform you of all the exciting things your child will be learning about, over the next two half terms, up until Easter.

## General Reminders:

Children must bring the following equipment into school every day:

- A reading book
- Home school diary
- Bottle of water

Pencil cases are now provided.
Please ensure that your child is reading athome daily and that this is noted in your child's home school diary daily. The home school diary is also the place for any important notes, especially regarding a change in pick-up arrangements. The home school diaries are checked regularly in school.

Please ensure that yourchild has the correct uniform every day and that all of your child's belongings (including P.E. kit) are clearly labelled with their name.
P.E. will be on Wednesday and Friday afternoons.

Times Tables will be tested on Fridays and spelling homework will go home on a Friday - due back in the Jollowing Friday. Children should practise times tables daily.

## Curriculum:

## R.E.

Our topics forR.E. thisterm are 'God's Covenant' and 'Reconciliation'.

| God's Covenant Learning Focuses |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Toknow the story of the flood and the meaning behind it. <br> To understand the meaning of a covenant. | Toknowand understand the significance of God's coverant with Abraham. | To understand that God guides and challenges His people. <br> Reflect on theexperiences of the Israelites. | To understand the covenant that God made with Moses and the Israelites and its' significance to ustoday. | Toknowthat God sent prophets to remind His people of His covenant. | To understand how the Incarnation is Good's new covenant with us. |

| Reconciliation Learning Focuses |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| To understand thatactions have consequences and reflect on some consequences of actions. | To understand how Mary can helpusin our relationship with God. | Toknow about God's love and forgiveness and reflect on what that means for us. | To <br> understand the meaning of $\sin$ and reflect on it's impact. | Toknowwhat happens in the <br> Sacrament of Reconciliatio $n$. | To understand that God is always ready to forgive. |

## Science:

Our topic Jor this term is Forces and then Earth \& Space.

| LearningFocuses |  |  |  |  |  |  |  |
| :--- | :--- | :---: | :---: | :---: | :---: | :---: | :---: |
| When is <br> friction <br> helpfuland <br> not? | What is the <br> effect of fair <br> resistance? | Whats the <br> effect of water <br> resistance? | Whowas <br> Callileo <br> Galleli? | What are the <br> planets in our <br> Solar Sytem? | Howdoes the <br> view of the <br> moonchange in <br> a Lunar <br> Month? | Why is Earth's <br> tilt responsible <br> for our seasons? |  |

## Maths:

Our areas of Jocus up until Easter are Jractions and decimals. Children will develop their Jluency, reasoning and problem-solving skills in these areas.

Children will continue to be tested on their times tables weekly. Regular practise of these is very important and can have a great, positive impact on their Maths attainment.

| Fractions |  |  |  |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- | :---: | :---: |
| Identify, name and <br> write equivalent <br> fractions of a <br> given fraction, <br> represented visually <br> including tenths <br> and hundredths | Recognise mixed <br> numbers and <br> improper fractions <br> and <br> convert from one <br> form to the other <br> and write <br> mathematical <br> statements $>1$ as a <br> mixed number [for <br> example $2 / 5+$ <br> $4 / 5=6 / 5=1$ <br> whole and $1 / 5]$ | Compare and order <br> fractions whose <br> denominators are <br> multiples of the <br> same number. | Add and subtract <br> fractions with the <br> same <br> denominator and <br> denominators that <br> are multiples of <br> the same number. | Multiply <br> proper <br> fractions and <br> mixed numbers <br> by <br> whole <br> numbers, <br> supported by <br> materials and <br> diagrams. | Solve problems <br> involving <br> multiplication <br> and division, <br> including <br> scaling by <br> simple <br> fractions and <br> problems <br> involving <br> simple rates. |  |  |

| Read, write, order and compare numbers with up to three decimal places. <br> Recognise and use thousandths and relate them to tenths, hundredths and decimal equivalents. | Round decimals with two decimal places to the nearest whole number and to one decimal place. | Solve problems involving number up to three decimal places. <br> Use all four operations to solve problems involving measure [for example, length, mass, volume, money] using decimal notation, including scaling. | Multiply and divide whole numbers and those involving decimals by 10 , 100 and 1000 | Recognise the per cent symbol (\%) and understand that per cent relates to number of parts per hundred', and write percentages as a fraction with denominator 100, and as a decimal. | Solve problems which require knowing percentage and decimal equivalents of $1 / 2,1 / 4,3 / 4$, $1 / 52 / 54 / 5$ and those fractions with a denominator of a multiple of 10 or 25. |
| :---: | :---: | :---: | :---: | :---: | :---: |

## Computing

| Learning Focuses |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Toidentify that drawingtools can be used to produce different outcomes. | To create a vector drawingby combiningshapes. | To use tools to increase the complexity of vector drawings to achieve a desired effect. | To recognise and change layers in vector drawings. | To select and duplicate multiple objects to develop a vector drawing. | To <br> create a vector drawing for a specific purpose using the skills learnt. |

## Geography:

Our geography topic is 4 and 6 Sigure grid references.

| LearningFocuses |  |  |
| :--- | :--- | :--- |
| To understand the difference <br> between longitude and latitude. | Tounderstand what are 4 and 6 <br> Jigure grid references and how <br> we use them. | To precisely describe locations, <br> landmarks and places as a <br> geographer. |

# History <br> Our History topic is Ancient Greeks (continued) and Maya \& Anglo 

## Saxons.

| Learning Focuses |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: |
| Why was the theatre important to Ancient Greeks? What myths, legends and Jables did the Greeks create? | Why were the Olympic games invented by the Ancient Greeks? | What was lije like jor Vikings and where did they setthe? | When did they attack Britain? | What peacewas agreed between <br> Anglo <br> Saxons <br> and <br> Vikings? |

## English

Children will continue to develop their comprehension and writing skills through the study of our class texts. Children will also develop a greater understanding of 55 grammar and punctuation.

Children will have the opportunity for free reading time in class\& they will further develop their reading skills in guided reading sessions. However, we do recommend that children read at home with an adult daily.

| Reading | Writing | SPAG |
| :---: | :---: | :---: |
| Draw inferences such as inferring characters feelings, thoughts and motives from their actions \& justify with evidence. <br> Predictwhat mighthappen from details stated \& implied. <br> Identify how language, structure and presentation contribute to meaning. <br> Ask questions to improve understanding. <br> Identify themes and connections across books. | Identify\& use layout devices e.g. bulletpoints, subheadings. <br> Identify \& use cohesive devices across paragraphs e.g. Jronted adverbials. <br> Create vivid imagery using similes, alliteration and metaphors. <br> Identify when to use informal and formal language \& the differences between these. <br> Identify audience for and purpose of the writing. | Identify and use brackets, commas, \& dashes to indicate parenthesis. <br> To identify \& use relative pronouns and clauses. <br> To identify and use adverbials of time. <br> To identify \& use expanded noun phrases. <br> To identify \& use modal verbs, determiners and dashes. |

$\square$

## Design \& Technology:

Our Jocus is is textiles and collage and then Food and Nurtition.

| Learning Focuses <br> The first half term our focus will be textiles and collage |  |  | Learning Focuses <br> The next half term will be Food and Nutrition |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Tobe able to explore the properties of different Jabrics and sort them. | Tobeable to explorewhat makes materials waterproof. | Tobeable to createa durableitem with durable Jabric. | Toexplore diets from different cultures (Asia) | Toidentify core ingredients of Asian cuisine and makean Asian dish (stir fry) | Toexplore Indian cuisine and howUK dietshave been ingluenced. |

## Art:

## Learning Focuses

For the Sirsthalf term the Jocus will be Textiles \& Collage.

| Tobe able to explone materials. texture and natural objects by makingobservational drawings. | To be able to use a range of materials to recreate the texture of a natural object. |  | To be able to the work of Lestes Richmond \& techniques she | nalyse ey uses. | To be able to create a simple loom using weaving techniques. <br> To be able to use applique skills to represent a natural object. |
| :---: | :---: | :---: | :---: | :---: | :---: |
| For the second half tem, the focus in Art will be on 3D. |  |  |  |  |  |
| To be able to use and armature to support modelling of soft materials (papier mache) |  | To create a clay design \& learn techniques to join clay pieces. |  | To create a decorative coil clay pot using 3D techniques. |  |

## Music \&French:

These will be taught by Mrs Dyer on Wednesday afternoons.

## P.E

This will be taught by Mrs Dyer on a Wednesday and Mrs Snowden on a Friday
We look forward to continuing to work with you. Should you ever have any questions or problems, pleasedon't hesitate to make an appointement to see us or pop a note in the home-school diary.

## Best Wishes, <br> Mrs Veitch \& MrsSnowden.
