

It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

**Intent** - Curriculum design, coverage and appropriateness

**Implementation** - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](http://gov.uk) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2019/2020, as well as on the impact it has on pupils’ PE and sport participation and attainment. **All funding must be spent by 31st July 2022.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

## Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	<p>Swimming lessons were planned for Year 3 4 and 5 between September 2021 and June 2022. This has taken place but was affected in Spring Term due to COVID absence</p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020. Please see note above</p>	
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]? Please see note above</p>	

<b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b>	
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes (Summer 2022), although this was cut short due to COVID-19)

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

<b>Academic Year: 2022/2023</b>	<b>Total fund allocated: £17,800</b>	<b>Date Updated: 25.7.22</b>		
<b>Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</b>				Percentage of total allocation: 48%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To engage all pupils in regular physical activity – especially those less physically literate.	Suitable equipment enables pupils to engage in physical activity at lunchtimes.  Lunchtimes will be well led by a consistent staff member who will monitor and feedback regarding participation.  Years 4, 5 and 6 will be able to 'train' as play leaders.	£3,286 £91  £5,277	Playleader now runs the lunch time activities across the school.  Play leaders will now assist at lunch time games.  Through the School Games membership new courses are available for staff to start Challenges at lunchtimes.	The playleader will not work in isolation, they will work with a team of MDSAs and pupil play leaders.  Children receive two PE lessons a week from the class teacher and coach. They do not work in isolation and key skills are shared and developed.
