

'Living and Learning through Faith'

Year 6

Autumn 2025

Trip to Walsingham

Year 6 really enjoyed their trip to Walsingham. Look at the fantastic feedback they received from those running the trip—we are extremely proud of them.

"Along with my colleague, Emma, we had the privilege of working with your children and staff yesterday. I wanted to email to commend them on their behaviour, engagement and questions. It was a real joy to be with them and to see their enthusiasm, but also to witness such respect for the Shrines. and at Sprinkling. All the staff who had the pleasure of meeting them were of the same opinion."

P.E

In PE, Year 6 have enjoyed Monday sessions with Mr Hurd, learning skills across a range of sporting fields. They have worked extremely well collaboratively and independently to improve their skills.

Art

In Art this term, Year 6 have thoroughly enjoyed learning about the life and works of Frida Kahlo. The children started the topic exploring with line and shape and completing some wonderful observational

Science

In Science, we started the year learning about electricity. Our lead-in lesson was all about static electricity. Year 6 learnt practically about this and the transfer of charged particles. They also demonstrated how sensible they could be—especially when there were balloons about. And would you believe... ?No balloons popped!

In R.E., Year 6 have been creative and worked hard around the theme of Creation and Covenant.

In English, Year Six have been busy focusing on narratives and developing their story writing skills.

In PSHE, Year 6 have enjoyed learning about online safety and the Zones of Regulation.

In Maths, Year 6 have worked hard on revising their 4 operations and applying this to tricky challenges.
