

'Living and Learning through Faith'

Year 6

In RE, Year 6 have been learning about Jesus' divine nature and mission as the Messiah. They have looked at a range of miracles and completed work that reflects these, from role plays to artwork. They have also looked deeply at the "I am..." statements and the Sacraments, reflecting thoughtfully on them.

In Art this term, Year 6 have enjoyed learning about the work of Pablo Picasso, taking what they observe and presenting it in different ways, and practising the art movement of cubism.

In Science, Year 6 have started a new topic on light. In the above image they were exploring how light travels. This was a simple test to prove that light does in fact travel in straight lines. They have also been looking at shadows and what impacts their size and density.

It hasn't been all hard work in Year 6... they managed to enjoy a brief stint in the snow a few weeks ago. This picture captures the joy they had on this day working together outside.

In English, Year Six have been busy learning to write autobiographies and 3rd person narratives, and have enjoyed reading Skellig by David Almond in reading lessons.

In PSHE, Year 6 have covered a range of interesting topics in which they have shown great maturity.

In History, Year 6 have enjoyed learning about the life of the Windrush generation and what life was like for them arriving in England after the war.

In PE, Year 6 have been working on a range of activities to develop their collaboration, communication and ball skills.
