Welcome to this week's newsletter.

Mary..... Mary!

'He's alive He's risen!!' They say

That's a laugh for the day.

Look the stone has rolled away

Should I go in? Or shall I stay?

Flowers in the garden seem to wave

The trees stand tall, robust and brave.

Tilling the ground, the Gardner came

My eyes fixed on the empty cave.

His voice was gentle saying 'cry not'

He's dead and gone, stop I cannot.

He claimed big and did a lot

Healed, prayed, fed us and taught.

I am sure I heard my name

I failed to recognise, oh the shame!

My heart rejoiced, leapt in awe

Can't stop now I have to tell all.

He changed me by a million miles

Yes He's risen He is alive!

His promises are all so true

Lean on Him He'll take you through.

Tweet of the Week

In these holy days let us stand before the Crucified One and let us ask for the grace to live in order to serve. May we reach out to those who are suffering and those most in need. May we not be concerned about what we lack, but what good we can do for others.

Dear Parents and Carers,

Holy Week and Easter are normally a time for us to spend together as friends, family and community. Although we have been asked not to leave our homes, we can still come together in our thoughts and prayers.

The School Chaplains and Ignite Team in the Diocese have made together a simple presentation called 'Pebble' to help you and your family to reflect on the meaning of each of the special days in Holy Week leading up to Easter Sunday. Visit the school website to find the 'Pebble' presentation and lot's more RE resources. Go to Key Information – curriculum and scroll down to the RE icon.

I have also attached a beautiful prayer written by Fr John Warrington, our former Parish priest at St Mary's.

I hope you are all continuing to look after yourselves and from all of us at St Mary's, we wish that you and your family be blessed as you celebrate the true meaning of Easter, from the reflection of Good Friday to the joy of Easter Sunday and the promise of eternal life.

God Bless

Mrs Berry
