

April 2025

In RE this term, Year 6 have been learning about the journey leading up to Jesus' death—the Journey of Holy Week. They have explored this topic creatively and with such deep discussion and thoughts. A range of work has been produced such as: role plays, artwork and debates—looking at justice and whether Jesus' trial was fair.

In Art this term, Year 6 have thoroughly enjoyed learning about the life and works of Frida Kahlo. The children started the topic exploring with line and shape and completing some wonderful observational drawings. This then progressed to creating their own portraits in the style of Frida Kahlo.

Year 6 have explored a wealth of different texts this term in reading. They are always on hand to discuss and pull apart a text in great detail. A fantastic world book day was shared across the school and we couldn't escape the traditional Year 6 class photo which will be appearing in their memory books at the end of the year.

In Maths, Year 6 have covered a multitude of topics and lessons this term. A firm favourite over the years (and was definitely a hit this year) was parts of a circle with a Pac Man spin.

In English, Year Six have been busy learning to write newspaper reports, narratives and explanatory texts. Not to mention our most recent write: an autobiography in role as someone they admire/had researched.

In PSHE, Year 6 have covered a range of interesting topics that they have shown a great maturity for.

In Science, Year Six have enjoyed their learning about light and carried out a few interesting investigations.

In DT, Year 6 have created their own bags out of used crisp packets—although tricky at times and quite labour intensive—the children showed great perseverance and positivity throughout the process.
