Dear Parents and Carers,

It has been another busy year at St Mary's. Mrs Measham and I were looking back over the year and just beaming with pride at everything we have been a part of as a school and as St Mary's community this year. The sporting opportunities, musical events, of course our wonderful Arts week. An Ofsted inspection that recognised the hard work and dedication of everyone at St Mary's. *Stating that 'Our school nurtures open-minded, kind and compassionate individuals'*

But more than all that, the examples that we, as your teachers see every single day of each and every one of you living out the word of God in everything you do. The little acts of kindness you show one another, your support for a friend in need, your desire to help make the world a better place. We are so very proud of you.

We do have some goodbyes to say today. Goodbyes are always strange – on one hand it is the sad end of a chapter we have all loved being a part of. But on the other it is the start of something new. And our goodbyes today mean that each of you who is leaving us is moving on to the next, even more exciting chapter of your lives.

To Mrs Snowden who will begin her maternity leave, we wish you well and look forward to hearing all about how you are getting on. Keep in touch we want lots of photos.

To our Year 6 class. What a class you have been! You are full of energy, enthusiasm and determination. I am really excited to hear about your achievements as you move forward in your life.

You have faced every adventure and challenge with joy in your hearts and smiles on your faces. Each and every one of you is a credit to Mrs DN, Mrs Ahmed, to St Mary's and to your parents. We will miss you Year 6 but we are so excited for you to embark on the next stage of your lives. Remember you can do anything you put your mind to. Enjoy life and grasp every opportunity you are given!

Have a wonderful summer

Warm Regards

Mrs Berry and Mrs Measham

READY TO LEARN

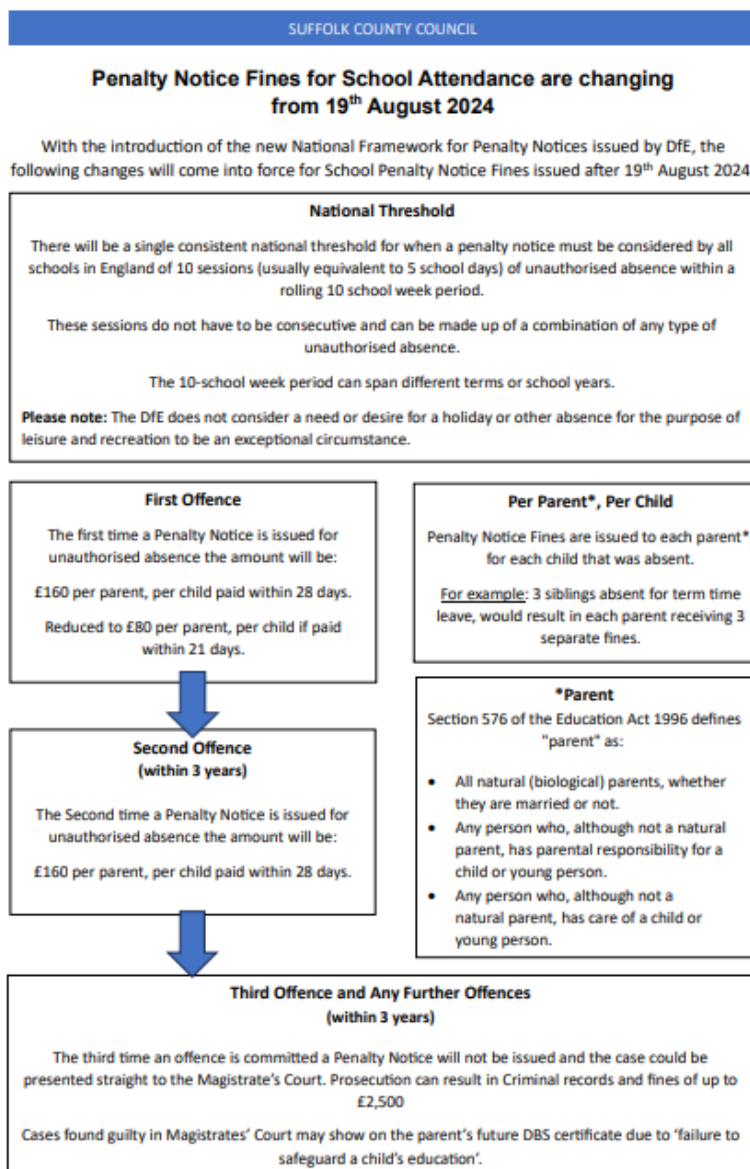

Please ensure that children are in the playground at 8.40am for when the bell rings. The roads are busy in Ipswich but perhaps leave a few minutes early to account for this. A late arrival after 8.50am means the class has already started and this is disruptive for your child and others in the class. If your child arrives after 9.10am, they will be marked as unauthorised absence for the morning. Please remind children to come equipped for the day.

If your child is ill, please leave a message on the School Absence Line (01473 728372) before 8am, or send an email to: admin@st-marys-ipswich.suffolk.sch.uk You should report every day of your child's absence. We do ask that all children who have been sick or had diarrhoea remain at home until 48 hours after the last episode of sickness or diarrhoea. Please try to make appointments outside of school hours, however, for unavoidable medical appointments we do request notice in advance.

ATTENDANCE

New guidance from the Department of Education will become statutory from 19th August. There will be an increase in the amount charged for fixed penalty notices. Please be aware that the school is unable to authorise holiday requests for absence during term time.

PARKING

The school has received complaints from local residents regarding parking in the area. Please be advised that the roadway beyond the school is **PRIVATE** and **parking is not permitted**. Some drivers have reportedly been blocking driveways and parking on double yellow lines.

Please be considerate of our local neighbours.

Thank you for help and understanding.

NO PHONES ON SCHOOL PREMISES

Can we please kindly request that parents/carers **do not use mobile phones** anywhere on the school premises (including the playground) due to safeguarding concerns. Many thanks for your support.

We would love to hit the ground running and would be very happy with any funds raised to give us a head start next school year. The school have raised 6k from funding and we want to raise the rest which totals another £5212.

Thanks for all your support, and remember we still need new committee members and chair so if you would like to find out more please email friendsofstmarysipswich@gmail.com

Every week during the summer holidays, staff and volunteers will be on hand to chat to children about the activities completed each week and the exciting books they've read. While visiting the library, children can collect a weekly reward and a new stack of books to enjoy at home.

Reading Quest is primarily aimed at children aged 2-12 years old, however, older children might be interested in volunteering in their local library to support younger children to take part.

Get Ready for School bags also include three reassuring stories about starting school that children can read with their families.

Anyone with a Suffolk Libraries card can borrow a Get Ready for School book bag for free from any library in Suffolk. You can order the packs via the Suffolk Libraries catalogue.

Suffolk Libraries also has many recommended reads for families with children about to start school.

COOL MILK

If any other parent would like to pay for morning milk and their child is older than 5, they can register using the link and pay cool milk. <https://www.coolmilk.com/>

Little Sips BIG ADVENTURES

Dear parent/guardian,

We would like to inform you of an important update regarding the school milk scheme, administered by Cool Milk. Mid-morning milk provides a much-needed nutritional boost and keeps children hydrated between breakfast and lunch. Children receive free milk until the age of 5. After that, they can continue to reap the benefits of mid-morning milk at a subsidised* cost.

Due to challenging weather conditions this spring and summer resulting in reduced milk volumes and anticipated increases in winter feed costs, the price of milk for children over 5 will soon increase. This adjustment will help Cool Milk continue to support our valued dairy partners.

However, there is good news! If your child is already 5 or will be turning 5 soon, you can still lock in the current price. Simply register your child at www.coolmilk.com/register and make a payment. You even have the option to pre-pay at the existing rate for the entire academic year.

For children who are already over 5, you can make payment immediately. If your child is still under 5, we will email you shortly before their 5th birthday with easy steps to continue their milk deliveries. Rest assured, we will continue providing free milk automatically until they turn 5.

If you already have a Cool Milk account, simply log in to your existing account and make the payment for the upcoming year. To register a sibling, select 'Add Child' and fill in their details—it's that simple!

Should you need further assistance, our customer service team is always here to help.

Kind regards,

Cool Milk

SPOTLIGHT ON

YEAR 6

Year 6 have had a busy half term preparing for their transition to high school. We wish them all the best for the future.

PGL

From Wednesday 3rd to Friday 5th July, Year 6 were away at their residential. They thoroughly enjoyed a range of activities such as the zipline, abseiling, rock climbing, survival skills and the most popular by far – the giant swing! They showed off their daring skills and resilience. Well done, Year 6! Please see below some pictures of their time away.

LEAVERS

This week has especially been busy with the leavers assembly, party and the performance of A Hint of Snow White. I think we can all say that they all put in a rather fantastic performance - well done Year 6! Please see below for some images of our leavers activities.

The Play

Year 6 worked very hard to learn their lines. We are very proud of their acting skills. A special mention to the orchestra, choirs, Mr Mclean and Mrs Burder for their help and support as well.

SPOTLIGHT ON

RECEPTION

We can't believe that the end of the year is here already! The children have had a fantastic year in Reception, we are all incredibly proud of them and their achievements.

The children loved their trip to Rock Paper Scissors art studio earlier this term. They enjoyed taking part in different activities and produced some lovely artwork.

In Maths we have been looking at numbers to 20. We have been ordering and showing ways to represent these numbers.

During Arts Week we had a visit from Marie Soul, from Rock Paper Scissors. She taught us how to make 3D animals using card and paper. We used a variety of materials to decorate them.

During Arts Week the children produced some incredible pieces! It was wonderful to see all their hard work come together in the art gallery.

ART & WELL-BEING COMPETITION

Suffolk County Council's Children and Young People's Engagement Hub Team has launched an art well-being competition for children and young people in Suffolk, aged 5-25 years old, called 'Someone in My Corner'. The competition will run until 2nd September. The competition asks children and young people to think about a time when they had someone in their corner and how this helped support their emotional well-being, and to share their stories in the form of creative writing or artwork.

For further information including competition entry details, please visit: <https://thesource.me.uk/mycorner/>
